The Practicum intensive is for family law professionals who have completed the Essentials of Co-Parent Coaching course and want additional skill-building experience with direct supervision. The day and a half intensive will combine demonstration and practice utilizing case examples. Participants will alternate roles of coach, co-coach, and as a member of the parenting pair. Karen will also be demonstrating (fish-bowl style) specific techniques and interventions. Coaching on a collaborative team will be covered as relevant.

The 2021 intensive will be in-person at Karen's office in Kirkland.
